## DEDICATION

We, the Class of 1952, proudly dedicate the second edition of *THE ATLANTIC BEACON* to Mrs. Nina G. Tarr. For her expert guidance as sponser and her patient teaching, we shall always be profoundly grateful. A member of the History Department, she has contributed much in molding better citizens through the study of American Government.

We feel that we have been fortunate indeed to have had her as our sponser, teacher, and friend.
